

**PRE-QUALIFICATION
OF CONTRACTORS FOR VARIOUS CATEGORIES OF
MUNICIPAL CONSTRUCTION WORK
FOR
THE TOWN OF LAKESHORE**

The Town of Lakeshore invites the submission of pre-qualification information for various categories of municipal construction projects to be carried out throughout the year. Contractors may apply for the following pre-qualification categories:

- (OD) - Open Drain Construction: This work includes open channel construction and maintenance works including brush removal, erosion protection works and access culvert (bridge) installations on municipal drains.
- (CD) - Closed Drainage Works: This work includes the installation or repair of tile drainage systems, catch basin, manholes, mechanical pump stations and shore protection works.
- (R) - Road Works: Includes road repair, reconstruction and related works.
- (B) - Bridge Installations: This work includes the installation and/or repair of corrugated steel pipe culverts, precast concrete box culverts, cast in place structures and end treatment systems.
- (ST) - Storm Sewer Works: This work includes the installation, repair, improvement or maintenance of storm sewer systems and appurtenances.
- (SW) - Sidewalk installation and repairs.
- (SA) - Sanitary Sewer Works: This includes the installation, repair, improvement or maintenance of sanitary sewer systems and appurtenances.
- (W) - Water Distribution Works: This includes the installation, repair, improvement or maintenance of watermains, connections and appurtenances.
- (L) - Landscaping: This includes grass cutting, weed cutting, weed spraying, tree trimming, landscape restoration works and other related works.
- (BM) - Building maintenance.

The purpose of this pre-qualification process is to classify and pre-qualify Contractors to the Town of Lakeshore commensurate with their technical and managerial expertise, financial capacity and previous performance. The process aims to facilitate and expedite but not replace tender assignments for individual projects and to afford protection to the Town of Lakeshore and the Contractors against over commitment and to minimize liabilities.

Pre-qualification with the Town of Lakeshore will be on a 3-year basis. This means that Contractors must apply every three (3) years to renew their pre-qualification.

Pre-qualification application forms are available from:

Town of Lakeshore
419 Notre Dame
Belle River, ON
N0R 1A0

These forms are also available on our website at: www.lakeshore.ca

The pre-qualification of Contractors for the Town of Lakeshore is intended solely for the benefit of the Town of Lakeshore. Information provided with applications will be retained by the Town of Lakeshore and not disclosed to any other parties unless legally required to do so. The list of approved pre-qualified Contractors will be kept confidential and will be restricted to appropriate administrative personnel of the Town of Lakeshore.
