COMMEMORATIVE BENCH PROGRAM

Share your special memory of a loved one or milestone in your life such as the birth of a child, a wedding day, a special anniversary, a graduation, your retirement or corporate sponsorship.

The Commemorative Bench Program offers a more permanent remembrance or tribute towards the dedication of a loved one or milestone in one's life. Benches have long been a traditional element in a park setting.

Lakeshore's parks and parkettes offer a unique location for a commemorative park bench. Benches benefit all age groups in providing a resting place along a walking trail or allowing for a place to sit while enjoying your children at play.

Memorial Bench

The bench selected for this program is a maintenance free Courtyard style six foot steel bench with a brass alloy plaque located in the middle back. This plaque will be engraved with the inscription provided.

The bench is coated with a maintenance free coating that is rust/corrosion-resistant to ensure durability and low maintenance.

Two ways to Participate:

Applications for the commemorative bench program are accepted year round and benches are placed as climatic conditions permit. The site will be selected by the applicant and reviewed by the municipal staff for its suitability. One on-site meeting will be held with the applicant and municipal representative as to the best location suitable in the park area selected.

Donations (tax deductible) are also accepted to help defray the costs of installing and maintaining benches throughout the parks in Lakeshore. Receipts are offered for donations of \$25.00 or more. Cheques are made payable to the Town of Lakeshore and can be mailed or dropped off to the Municipal Office at 419 Notre Dame Street, Belle River, Ontario NOR1A0.

Cost of the Bench and Plaque installed:

The cost of the bench selected for the Commemorative Bench Program is \$1,500.00.

This fee includes the cost of the steel bench, brass plate, installation (includes cement pad), and applicable taxes. Payment can be made directly at the Municipal Offices once the on site meeting has been held and the location has been confirmed for the installation of the bench by the Municipality.

Cheques are made payable to the Town of Lakeshore and can be mailed or dropped off to the Municipal Office at 419 Notre Dame Street, Belle River, Ontario NOR1A0.

Should you require additional information on the Commemorative Bench Program, please contact Community and Development Services at 728-2700 ext 247.

Park Locations to Select From

Select from the following park listing. Some locations may not be accepted due to space availability. You will be contacted to discuss your choice.
