Go Paperless with E-billing!

Sign up online to receive property tax and water bills straight to your email inbox

Property tax and water account holders can now receive bills directly to their email inbox.

The new option, introduced earlier this year, will help reduce paper usage and provide you access to your billing information from anywhere in the world!

To sign up, you'll need your name, property address, and contact information, as well as your water account and/or property tax roll number.

Lakeshore Seeking Community Feedback on Greenhouse Study

Citizens and stakeholders invited to provide their feedback and attend an open house in August, Council meeting in September

Earlier this year, Lakeshore retained a consultant to study the potential effects of greenhouse development in the Municipality.

The study, which is available online or at Town Hall, considers different options for controlling greenhouse operations, by-laws from other municipalities, and identifies any gaps in Lakeshore's Official Plan and Zoning By-law.

Citizens and stakeholders are invited to public meetings:

Tuesday, August 23
Virtual Meeting
2:30 to 4:00 PM
Register by email

Tuesday, August 23
In-person Open House
6:30 to 8:00 PM
Atlas Tube Recreation Centre

Lakeshore.ca/GreenhouseStudy

Comments can be submitted by August 19 via email or at Town Hall.

A report on public feedback and the study's recommendations will also be considered by Council at a meeting in September.

For questions, please contact:
Planning@Lakeshore.ca or
519-728-2700 ext 256

Fireworks Restrictions

Did you know that under Noise By-law #106-2007, fireworks are only permitted to be detonated in Lakeshore's residential areas on April 21, Victoria Day, Canada Day, and Independence Day?

To report a problem with fireworks, please contact the Ontario Provincial Police's non-emergency number at:
519-728-1810 or 1-888-310-1122

Communications & Engagement Master Plan Approved

Plan designed as a road map to improve Lakeshore's communications and citizen engagement

At the meeting on July 12, 2022, Council approved Lakeshore's new Communications & Engagement Master Plan.

The plan, which sets out four strategic priorities, seeks to enhance the Municipality's communications efforts and improve the experience of citizens when

participating in engagement initiatives.

As part of the rollout, staff will be bringing an implementation plan to Council for deliberation and budget consideration.

Make a splash!

Earlier this summer, Lakeshore opened the new and improved River Ridge Park, located on Oakwood Avenue between Lakeshore Discovery Public School and St. Anne Catholic Secondary School.

The upgraded park will serve one of the fastest growing areas in Lakeshore and is home to amenities for all ages and abilities, including a splash pad,

washroom and change room facilities, shade structures, exercise equipment, new lighting, parking area, and pickleball courts.

For more information about all of Lakeshore's parks and facilities, visit:
